

Australian Solar Cooling Interest Group Conference

Royal Australasian College of Surgeons, Melbourne
7-8 December
2009

Register at www.ausSCIG.org/conference2009

Day 1 – December 7

ausSCIG Solar Cooling Crash Course

\$364 + GST

Monday 7 December 2009
10:00 – 16:00 (followed by dinner in Melbourne City)
Royal Australasian College of Surgeons
250-290 Spring St, Melbourne

This course will be led by Dr. Stephen White (CSIRO Solar Cooling Research Leader, ausSCIG Chair, IIR Australia Chair).

The course is designed as an overview of technical, economic and bigger picture aspects of solar cooling for newcomers to the industry. It will also provide design tips and technical case studies for industry specialists.

Topics to be covered include:

- Solar Cooling Basics
- Solar airconditioning equipment options and suppliers
- Selection considerations
- Solar airconditioning benefits, greenhouse gas savings and economics
- Flowsheets, controls and system integration
- Equipment sizing
- Modelling and performance evaluation
- Do's and don'ts
- Case studies

Following the course, dinner has been organised in Melbourne City. Partners and guests are welcome to attend the dinner – please see below for additional cost.

Dinner

Dinner is included for *Crash Course* attendees.

Guests and partners are also welcome to attend the dinner at a cost of \$70/head.
